MURRAY SCOTT-NELSON

Vehicle Details

Austin Healey 3000 MK 2 BJ7

Body Style: Convertible | Steering: Right-hand drive | Engine Capacity: 2912cc | Mileage: 57331 miles

Austin Healey 3000 Mk 2A BJ7 1963. A very rare home market RHD UK supplied car. The current owner of this car purchase it in 1976 and during the 42 year ownership it has been the subject of a major refurbishment in the mid 90's. Finished in British Racing Green with black leather trim and black hood. It is structurally excellent throughout with the chassis being particularly good. Fitted with silver painted wire wheels and overdrive.

£47,500
