

Jaguar XK 150

Body Style: Coupe | Steering: Right-hand drive | Engine Capacity: cc | Mileage: miles

Jaguar XK 150 3.4 DHC 1957. Originally supplied to Jaguar Cars, New York, it returned to the UK in 1989 from San Diego and underwent a total nut and bolt, body off chassis restoration. Whilst under restoration it received modern upgrades including power steering, 5 speed gearbox and 4 pot brake upgrade by leading specialist JD Classic. Finished in Cotswold blue with blue leather trim and blue hood. With only careful use since restoration this car remains in superb condition throughout.
